

Rep Gen Cookbook

(PowerOn)

As part of the South West User Group meeting in June, Wescom Resources Group & CUSoCal Partners will be sponsoring an advanced programming class. There have been many requests from users in our group offer a high end class so we have dedicated a full day to your requests.

Date: June 3, 2009

Time: 9:00 am – 4:00 pm

Lunch: Bring \$ for lunch, the group will decide where to have lunch together.

Cost: **FREE!!!!**

Topics: Advance Power On and fun nerdy stuff!

Instructors: James Burke-Frazier & Ray Rounds

Location: Wescom Operations Center.

5601 E. La Palma Ave

Anaheim, CA 92807

Parking is free and is located in the large lot directly across from the building. There are several places within walking distance for lunch

Don't miss this great opportunity to learn some advanced techniques and collaboration. Seats are limited seats available for this free training. If you are interested please email rmenjivar@cusocal.org to RSVP.
